

Ontario Tenants Need REAL Housing Solutions!

I support Ontario ACORN's demands for Premier Doug Ford, Housing Minister Paul Calandra and the Ontario PC Government to introduce the following measures to stop the housing crisis:

1. Full Rent Control in all buildings, vacancy control, no AGIs
2. LTB Reform - stop the eviction factory!
3. Stop Slumlords
4. End Tenant Displacement - no renovictions!
5. Repeal Ford's bad housing bills - 184, 23, 97
6. Increase Funding to Non-Market Housing
7. Allow Inclusionary Zoning Policies to be created locally
8. Start a Rental Registry
9. Moratorium on Selling Government Owned Land
10. Climate Resiliency in Buildings
