

PROTECT AFFORDABLE HOUSING!

ACORN Canada is calling on Prime Minister Mark Carney and Housing Minister Gregor Robertson to make housing standards a condition for provinces to receive federal funding. By adding my information below, I am supporting ACORN’s campaign for national housing standards that include:

- Real rent control, no loopholes (ex: no Above Guideline Increases or AGIs in Ontario, and no Additional Rent Increases or ARIs in BC).
- Bans on no-fault, no cause and bad faith evictions.
 - End fixed-term lease abuse.
 - Secure tenure for all renters.
